

CITY OF NEWPORT
NOTICE OF A PUBLIC HEARING

The Newport Planning Commission will hold a public hearing on Monday, June 12, 2023 at 7:00 p.m. in the City Hall Council Chambers to consider File No. 6-Z-22, amending Newport Municipal Code (NMC) Chapter 14.11, Required Yard and Setbacks. The changes will update the trash enclosure standards for Multi-Family and Commercial Development projects. Pursuant to Newport Municipal Code (NMC) Section 14.36.010, the Commission must find that the change is required by public necessity and the general welfare of the community in order for it to make a recommendation to the City Council that the amendments be adopted. Testimony and evidence must be directed toward the request above or other criteria, including criteria within the Comprehensive Plan and its implementing ordinances, which the person believes to apply to the decision. Failure to raise an issue with sufficient specificity to afford the city and the parties an opportunity to respond to that issue precludes an appeal, including to the Land Use Board of Appeals, based on that issue. Testimony may be submitted in written or oral form. Oral testimony and written testimony will be taken during the course of the public hearing. The hearing may include a report by staff, testimony from the applicant and proponents, testimony from opponents, rebuttal by the applicant, and questions and deliberation by the Planning Commission. Written testimony sent to the Community Development (Planning) Department, City Hall, 169 SW Coast Hwy, Newport, OR 97365, must be received by 3:00 p.m. the day of the hearing to be included as part of the hearing or must be personally presented during testimony at the public hearing. The proposed code amendments, additional material for the amendments, and any other material in the file may be reviewed or a copy purchased at the Newport Community Development Department (address above).
